

PGL TRIP 2024

Organised by Adventure Menu Malta since 2004

Dear Parents/Guardians,

Adventure Menu Malta is happy to announce the next PGL trip on offer to your child. This is a very popular adventure educational trip to PGL's Osmington Bay, in Weymouth, UK. The trip is geared mostly towards participants who love nature, sport, adventure and more. It offers expertise in a safe environment, unrivaled pastoral care and above all a holiday of a lifetime to remember for children that is safe, caring, friendly, exciting, challenging, and fun.

Dates: 1st – 5th April 2024

Venue:

Osmington Bay is situated right by the sea just outside Weymouth, in the heart of Dorset's World Heritage site – The Jurassic Coast. The place consists of 45 acres of grounds with its' own private beach and cliff top views. This is one of the biggest centres with superb facilities, great water sports and more activities than you can count.

One of the first things you'll notice is the huge high ropes course with its zip wire and stunning views of Weymouth, Portland and Chesil Beach.

With a site that's this big and packed with activities, there'll never be a dull moment. So, what are you waiting for? Come and try out this exciting centre.

Accommodation:

Rooms sleep four – six participants. Participants will share rooms with their friends – boys and girls in separate rooms. Teachers' rooms are strategically placed to always supervise participants.

In each room, participants have their own en-suite bathroom, bath or shower, toilet and basin. The number of rooms are selected solely by the PGL Centre Staff and reflect the number of participants joining the trip.

PGL TRIP 2024
