

Transition Programmes

My Next School Adventure targets students who have just finished Year 6 and will be starting Year 7 next September. The sessions will provide an opportunity for students to explore their personal skills, look at effective ways to express their views in class, discover their learning styles, work with fellow students effectively, learn to be active students, deal with conflict, get support from school and how to manage time both at school and home. We will be visiting these themes through fun and interactive activities and at the end of the programme students will be given a certificate of participation.
