Language Version Selection for Religion, Social Studies, History, and Geography Notes and Annual Exams

Dear Parents/Guardians,

We hope this circular finds you well. We would like to inform you about an important decision regarding the language version of the notes and annual exams for the subjects of Religion, Social Studies, History, and Geography. As a school committed to providing a well-rounded education, we believe in offering our students the opportunity to learn in their preferred language. To cater to the diverse linguistic backgrounds of our students, we are introducing the option for students to choose the language version in which they would like to receive their notes and take their annual exams for these subjects.

Please keep in mind that once the language version is chosen, it will be in effect for the entire academic year until Year 11.
