

ART

A three-year journey of discovery, creative thinking, art-making and problem-solving

Students learn how to express and communicate their thoughts and feelings through various art forms

Awareness and reference to important art works and History of Art runs throughout the syllabus

Assessment

- **30% School Based Assessment (SBA):**

3 courseworks spread over Year 9, 10 and 11. (10% each)

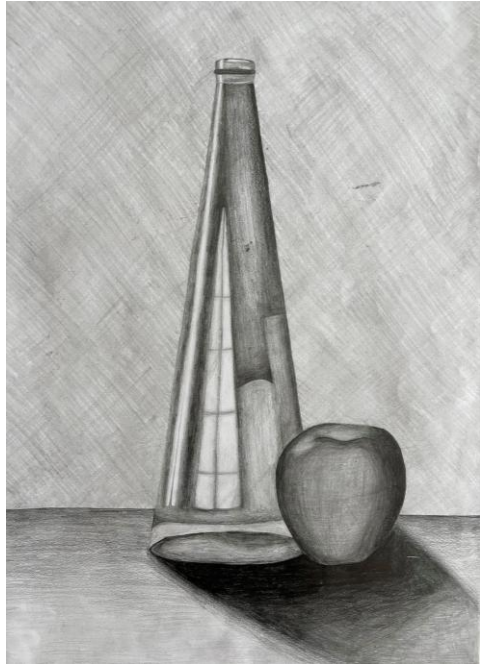

- **70% Controlled Assessment of 2 hours (Composition from a theme):**

Candidates are given **THREE** Themes, eight weeks before the controlled examination to experiment on at least ONE theme. **Research and preparatory work** are to be carried out in **a work journal**. Work created for the journal should be on loose A3 sized sheets. These are to be brought into the examination room and should serve as a starting point from which to develop a new work in colour.

Level 1-2: a minimum of **THREE** to a maximum of **FOUR** sheets are to be presented. From the works candidates present, at least **TWO** should be in full colour.

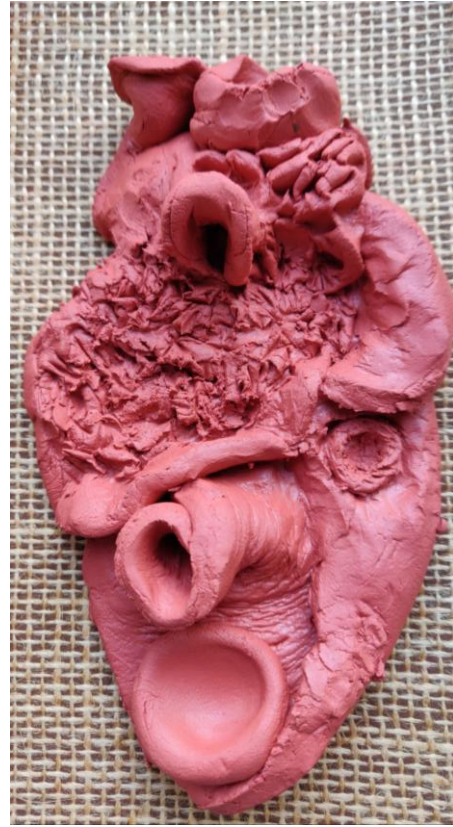

Level 2-3: a minimum of **FOUR** to a maximum of **FIVE** sheets are to be presented. From the works candidates present, at least **THREE** should be in full colour.

Work from Observation (Still-life)

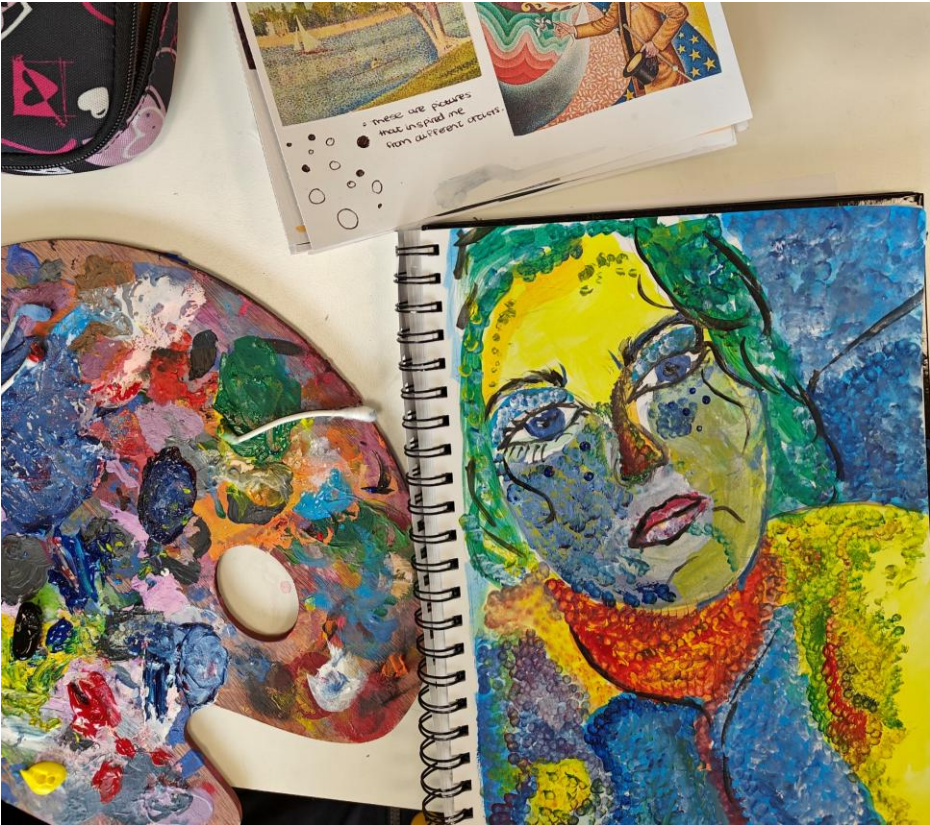

A sketchbook is a space where students develop a **creative practice**, work through **creative blocks**, and express themselves through a combination of words & art!
